APPLY

Application for a Software Developer position

I'm a technical worker with experience on software development. During my career, I've been trained in development, architecture and quality of software. I have talents in collaboration and communication among people and a endless curiosity for problem solving and everything for which a solution needs to be found. I'm an enthusiastic team player, always ready to contribute to any any project.

WORK EXPERIENCE

06/01/2019 – CURRENT – Linz, Austria
SOFTWARE DEVELOPER – CGM ÖSTERREICH GMBH

I'm currently working on a multi featured software provided for Hospitals of Austria, Germany and Switzerland. The main technologies used in the application are Java and Angular, and I'm currently been roled fully on the Back-End. My duties are designing solutions to be applied on the software, as well as bug fix and code quality.
